Hello Mr. Kloster,

Attached please find copies of the additional requests for records received by Green Bay that we previously noted we would provide as a supplement to Friday's materials. Note these documents are the requests Green Bay responded to, not the responsive materials themselves, which were included in what we shared on Friday. Please let me know if you have any issues opening the PDF.

We are meeting with our client tomorrow and will be in touch after that discussion.

Thanks,  
Mel
