### Founder and Executive Director

Center for Tech and Civic Life

Feb 2015 - Present · 7 years 1 month

Chicago, IL

CTCL is a non-partisan, non-profit that is harnessing the promise of technology to modernize the American voting experience.

At the Center we connect Americans with the information they need to become and remain civically engaged, and ensure that our elections are more professional, inclusive, and secure.

#### Our Approach

-We connect local election departments with tools and trainings so that they can best serve their communities.

-We provide information that the public...
